UF Internal Medicine Newsletter

Happy New Year, internal medicine residents and faculty!

Closing the Loop

Changes to make your life easier by the Quality and Efficiency Council

- Nurses/clerks can now obtain OSH records, including consenting the patient! There will be an order in epic where you can specify what records you are looking for. If a certain floor/clerk/charge nurse is not helping with that or any pushback, please let the chiefs know ASAP.
- Wound care can now place wound orders and send them for primary team to sign off!
- Nurses can now discontinue isolation orders based on negative cultures!
- We are now offering more vegetarian options for noon conference, such as adding Zeezenia to our rotation!

This month's update brought to you by the Westervelds
