Matt Kelling, PGY-1

- Where are you from? A place where the barbecue sauce flows like the ancient rivers of Babylon - KC.
- Favorite breakfast food? Coffee blended with a scoop of whey and one raw egg - make you strong like bull.
- If you could have any superpower, what would it be and why? Ability to turn down free food - would probably add 10 years to my lifespan.
- Secret accomplishment? Voted "least likely to win a handwriting competition" by high school classmates. (Editor's Note: Matt and Charles Blay together average to one normal level of handwriting skill).

Raphael Bossé, PGY-2

- Where are you from? Mantes-la-Jolie, France
- Favorite breakfast food? Crepes with Nutella. Or more accurately Nutella with a little bit of crepes.
- What kind of soup would you be, and why? French onion soup because by now as a Frenchman, I am ~10% cheese.
- Secret accomplishment? I once flew a small plane and landed without crashing.
