Sama Ilyas, PGY-1

- Favorite Disney movie? Tangled
- How do you like to relax after work? Cooking, baking, but most importantly, eating
- As a child, what did you want to be when you "grew up"? I wanted to be a cashier... scanning items seemed like fun. That dream has long passed but I now occasionally enjoy using the self checkout lane from time to time.
- What is the best thing that happened to you in the last week? My amazing husband worked on our fire pit, so after a super long day of MICU, we sat outside enjoying the fire, stars and marshmallows.
- Who is your role model (real or fictional), and why? The fat kid from Matilda who eats the entire chocolate cake in one setting. I don't think I can ever aspire to such greatness.

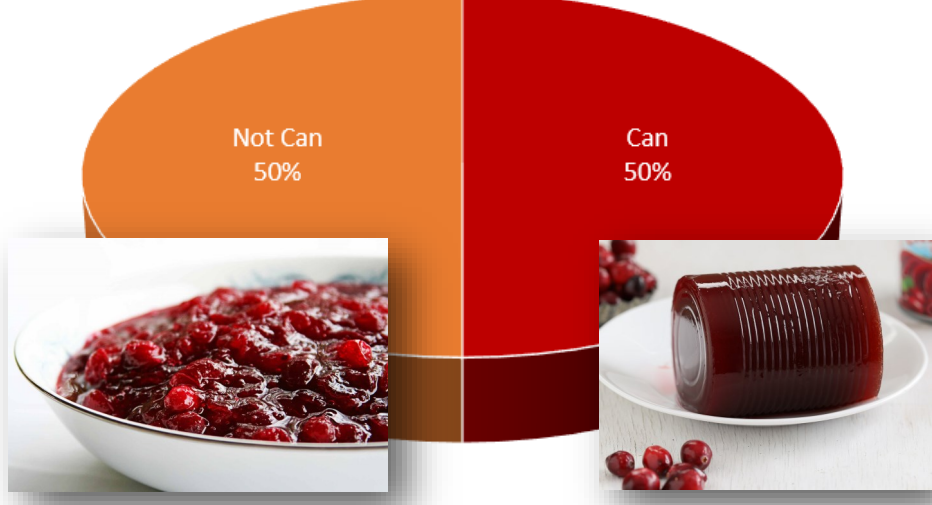

Stephanie Cabrera, AKA Cabby, PGY-2

- Where are you from? Coral Springs, FL
- How do you like to relax after work? I play with my Maine Coon cats, or just watch my boyfriend play with them
- Favorite Disney movie? The Lion King
- As a child, what did you want to be when you "grew up"? I always wanted to be a doctor. I'm pretty sure my parents brainwashed me.
- If you could have any superpower, what would it be? I would want to be able to teleport. Then I would be on time more often.
- Jobs prior to medicine? I sold sunglasses at the mall kiosk. I was not a good salesperson.

IM RESIDENT CRANBERRY SAUCE OPINIONS

Despite an early lead by the pro-canned faction, ultimately, results were evenly split between pro-canned and anti-canned cranberry sauce.
