Our chiefs have stopped by to express some well-deserved gratitude toward our amazing PD and ADs! Our chiefs have stopped by to express

"I am so grateful our program has a PD like Dr. Edwards. He truly wants to know the day to day ongoings of how each of us are doing. You can go to him with anything and he will do his best to help out. We are lucky to have him!" - Dr Smoot

"Dr. Edwards is such a great leader of our residency program. He is patient, calm, levelheaded, a great listener, advocates for the program and for each individual, and truly cares about each resident's training and quality of life outside of the hospital." - Dr Harder

"Dare I list all the things that make Dr. Edwards great? He works with us, parties with us, and goes to bat for us. Extremely thankful we can count on one of the longest running PDs in the nation to lead our residents and program." - Dr Stein

"The man the mith the noutfather His mentorship and supmort to all our residents is

"The man, the myth, the goutfather. His mentorship and support to all our residents is unconditional & unwavering. We are so incredibly lucky to have him as a PD. Whether at a baseball game, tailgate or holiday event, we can never get enough!" – Dr Patel

'Thankful for Dr Smith and his exuded passion for outpatient medicine to fuel our residents' growth. Plus, his fantastic photographs add a global pizazz to Kanapaha-- check 'em out if you haven't yet!' yet!" - Dr Stein

## Dr Margaret Lo, AD

"She's one of a kind. Over the years I've seen how she excels in keeping your best interests at heart and striving to bring out the best in you-though I'll admit, I shook in my intern clinic shoes the 1st time presenting a patient to her at Med Plaza." – Dr Stein

The definition of modern-day medical education is Dr. Lo. I have yet to meet a faculty member who cares more about resident education and faculty development. We appreciate everything she does for our program. Go Primary Carel \* – Dr Patel

f you are looking for a pick me p...don't have to go far for a uick "Howdy!" Dr. Kosboth can avs be relied on to advocate for our residency program and residents. He genuinely cares how each and every person is doing on a daily basis!" - Dr Patel

provides outstanding clinical, professional, and life advice. He really cares about residents well-being and is a great mentor for so many as they explore their future careers." – Dr Harder
