IOM / ROM SPOTLIGHT!

Learn more about your favorites!

- 1) What was your favorite memory from December A / B?
- 2) If you weren't a doctor, what would you be?
- 3) What New Years resolution did you stick to the longest?
- 4) What is your favorite zoo animal?

Dr Nikita Shah, December IOM

- 1) Watching Christmas movies in the MGI team room.
- 2) A biotech entrepreneur.
- 3) Embracing the chaos of school / residency.
- 4) A cheetah because I have been dubbed "Nikita the cheetah" from cross country / track.

Dr Adrian Alonso, December ROM

- 1) Hanging out with the legends on Christmas Day, Jordan Turetsky and Sam Koenisburg, watching the Chiefs game in the team room, and getting Chinese food later with some co-residents.
- 2) Marine biology! I went to Belize once to count corals and fish- it's awesome.
- 3) I'm bad at resolutions, but the one I try to do is reach out to family and friends from back home weekly to stay in touch.
- 4) There's this one red panda I saw in the zoo- it was so cuddly. I like it because it was unique and clumsy.
